'United we stand'

JD(S), Congress put up united face to quell dissent among ground-level workers

Mysuru, Apr.7 (MTY&BCT)- The local Janata Dal-Secular (JD-S) and Congress units held a joint press conference in city this morning to present a united face to its opposition and appealed to its warring workers to set aside their differences, piled up over decades of fierce fighting and work with each other for the upcoming LS elections.

The two parties are scrambling to pacify its disgruntled workers who have publicly come out to express their unwillingness to work with each other, highlighting the disconnect between State-level leadership and ground realities.

ALL IS WELL: ***Congress and JD(S) leaders including Ministers G.T. Devegowda and S.R. Mahesh, State JD(S) President A.H. Vishwanath, MLAs Tanveer Sait, Dr. Yathindra Siddharamaiah and K. Mahadev, Mysuru-Kodagu coalition candidate C.H. Vijayashankar, Chamarajanagar coalition candidate R. Dhruvanarayan, MLC Marithibbegowda, former Minister Dr. H.C. Mahadevappa and others posing for photos during a press conference at Hotel Kings Kourt in city this morning.***

Under compulsion to put up a united front in the face of skirmishes between party workers at the ground-level, leaders of alliance partners came together to make it clear that they will not only fight the Parliamentary elections as allies but will also campaign jointly for all seats.

Their joint campaign for Mysuru-Kodagu and Mandya Lok Sabha constituencies will begin on Apr.9 with JD(S) Supremo and former Prime Minister H.D. Deve Gowda and Congress Legislature Party (CLP) leader Siddharamaiah addressing rallies on the same day.

Congress President Rahul Gandhi is scheduled to visit Mysuru and K.R. Nagar on Apr.13 and this, according to coalition partners, will provide a boost to the party prospects.

(See UNITED on page 8)

'Make-up Sumalatha' makes her entry into Mandya EVM

Fans of Sumalatha Ambarish cry foul; say it is an attempt to fox voters

Mandya, Apr.7 (Nagaiah& BCT)- Lookalikes of leaders are a definite crowd-pullers especially during the time of elections where these lookalikes travel far and wide enjoying the limelight and at the same time attracting people.

But what if this 'lookalike' concept is extended to confuse voters? Yes. This is precisely what is happening in Mandya where a lookalike of Sumalatha Ambarish — also having the name Sumalatha — figures in Electronic Voting Machine (EVM) and according to supporters of Sumalatha Ambarish, it is a ploy by rivals to confuse voters.

Sumalatha

Sumalatha Ambarish

The Mandya 'Sugar Bowl' is witnessing a high-pitched battle between Sumalatha Ambarish, wife of former actor and Minister late M.H. Ambarish, who is vying to inherit her husband's political legacy and Nikhil Kumaraswamy, son of Chief Minister H.D. Kumaraswamy, who is looking to make a political debut, banking on his father's and granddad H.D. Deve Gowda's popularity.

Apart from Sumalatha Ambarish, who is contesting as an Independent candidate, there are three other Sumalathas who are also contesting as Independents — M. Sumalatha, wife of Manjegowda from Goravi of K.R. Pet, Sumalatha, wife of Siddegowda of T.M. Hosur of Srirangapatna under Mandya LS Constituency and one more P. Sumalatha, wife of Darshan of Ranganatha Badavane of Kanakapura town of Ramanagaram.

There are 22 candidates fighting to be Mandya MP and Nikhil Kumaraswamy's name figures first in the order of names in the EVM list.

Sumalatha Ambarish's name figures in No.20 with a symbol of Man Blowing Turha — Trumpet, Sumalatha's name figures in No.19 with Hand Cart as symbol, M. Sumalatha's name figures in 21st place with the symbol of Baby Walker and P. Sumalatha's name figures in 22nd place with Bat symbol.

(See SUMALATHA on page 8)

Fire Safety awareness
programme at N'gud on Apr.10

Mysuru, Apr.7- As there is a greater need to control fire accidents, Nanjangud Industries Association (NIA) has organised an awareness programme on Fire Safety in association with Department of Fire Force and Emergency Services, Government of Karnataka, on Apr.10.

An analysis of fire accidents reveal that most of the accidents are a result of ignorance of safety standards and practices, non-incorporation of the standards during construction, ignorance of behavioural aspects of various chemicals used in day to day activities, inadequate technology, non-supply of complete technical know-how including the safety systems and procedures.

The faculty for this programme are experienced Fire Officers from the Department of Fire Force and Emergency Services.

The programme, scheduled to be held on Wednesday (Apr. 10) at 9.30 am at NIA Training Hall in Nanjangud, will be inaugurated by Sunil Agarwal, Additional Director General, Fire Force and Emergency Services. The valedictory address will be delivered by Dr. B.R. Ravikanthe Gowda, Dy. Inspector General, Fire Force and Emergency Services.

For details contact: The Manager, Nanjangud Industries Association, 1st Cross, KIADB Industrial Area, Nanjangud-571302 or Ph: 08221-225568 or Mob:97393-37316, according to a press release from B. S. Chandrashekhara, Secretary, NIA.

EDITOR'S BOTTOMLINE

From up above, Durga and Laxmi look down upon the election fray as India heads towards polls 2019.

Durga: ***What do you think of Rahul Baba's promise to reserve 33% of all jobs in the country for women if his party gets to form the next government?***

Laxmi: ***I don't know what to think of any of the pronouncements that Indian men make about women in general.***

Durga: ***I know what you mean. On the one hand, they worship you and me as Goddesses and call India, that is Bharat, their Motherland, on the other hand women are treated like second class citizens.***

Laxmi: ***Second-class? Third-class, more like it. Despite that other guy's mantra of*** *beti bachao, beti padhao,* ***women are lucky — or should that be unlucky? — to get born at all, thanks to female foeticide.***

Durga: ***And when they do get born, they're treated just like the sacred Gau Mata — both are deemed to be holy, and both are worked to death.***

Laxmi: ***You said it. A woman is never a woman in her own right: she's always someone's mother, or someone's wife, or someone's sister, or someone's daughter, and often all these together, so she has her work cut out for her performing all the multiple duties all these different roles demand of her.***

Durga: ***Yup. She has to see that the family is properly fed, particularly the men of the family. She has to look after the*** *bal bachhe* ***and the elderly. She has to help the kids with their homework, and get them through their exams. And on top of that more and more women are going out and making careers for themselves. So Rahul Baba's pre-poll pledge to reserve 33% jobs for women — like that 33% reservation of Parliament seats which has yet to happen — is just another instance of patriarchal patronising.***

Laxmi: ***I wish he'd instead reserved for men 33% of the jobs that women do in the house. Anyway, if he's going to reserve 33% of jobs for women, one of those jobs should be that of PM.***

Durga: ***Right on. Instead of trying to make himself PM, he should reserve that job for Priyanka, at least 33% of the time...*** *— Jug Suraiya in The Times of India*

NEWS SPARKLERS

Neighbors shoot each other wearing bulletproof vest

Arkansas: Two neighbours in Arkansas were arrested for taking turns shooting each other with a semi-automatic rifle while wearing a bulletproof vest. 50-year-old Charles Eugene Ferris was admitted to a Benton County hospital with a red spot on his upper chest. Doctors there notified Police about the suspicious wound and in an interview with a deputy from the Benton County Sheriff's Office, the man tried to come up with a plausible explanation. He claimed that an "asset" had paid him $200 for protection and after they met with a third individual, a gunfight ensued.

The 50-year-old told Police that he had been shot several times and returned fire before escaping in a car. Luckily, he had been wearing a bulletproof vest, but the asset brought him to the hospital anyway. Unfortunately, Ferris forgot to tell his wife his version of the story, so she spilled the beans on what really happened.

10,000 bees kept as pet in high-rise apartment

Ningbo: A couple, livingg in their high-rise apartment in the Chinese city of Ningbo had angered their neighbors by keeping around 10,000 bees in the balcony. After the couple ignored numerous complaints from their neighbors about the thousands of pet bees they kept on their balcony, the Police were called to the building. About a year ago, the unnamed couple installed a small beehive in their high-rise apartment with the intention of using them for "bee sting treatment," a form of alternative medicine believed to help alleviate the symptoms of painful conditions like rheumatoid arthritis.

However, the insects kept breeding and their number swelled to around 10,000, becoming a nuisance to the other residents, prompting them to lodge complaints and finally call the Police to solve the problem.

HEALTH CAPSULE
by Bron Smith

What are the health benefits of spirulina?

Spirulina, derived from blue-green algae, has been called a "natural multi-vitamin" because of its many nutritional benefits. It is used by vegetarians as a primary protein source. It contains gamma-linolenic acid and superoxicde dismutase. It also boasts 25 times more beta carotene than carrots and 23 times more iron than spinach.

** Health Capsules is not intended to be of a diagnostic nature.*

Two-day Natl. Conference
at Amrita Vishwa Vidyapeetham

Mysuru, Apr. 7- A National Conference on "The Recent Innovations in Computing, Communication and Intelligent Systems" (RICCIS'19) will be held on Apr.11 and 12 at Amrita Vishwa Vidyapeetham, Mysuru Campus at its premises in Bogadi 2nd Stage.

The conference aims at an in-depth discussion on the recent trends in engineering and technology.

Prof. G. Hemantha Kumar, Vice-Chancellor, University of Mysore, will inaugurate the conference on Apr.11 at 9.30 am.

Dr. S. Murali, President, Maharaja Institute of Technology, Mysuru, will deliver the keynote address on the first day. Dr. Sethu Madhavan, Head, Cyber Security, TIFAC CORE in Cyber Security, Amrita Vishwa Vidyapeetham, Coimbatore, will deliver the keynote address on the second day of the conference.

Prof. D.S. Guru, Director, Directorate of Distance Education, University of Mysore, will be the guest at the valedictory function on the evening of Apr.12.

The conference is open to students, research scholars, academicians and industry experts. A pre-conference workshop on "Data Analytics using R: A Research Perspective" will be held on Apr. 10 as an add-on to the conference to emphasise the importance of statistical analysis in the real world scenario. The conference also includes a "Poster Presentation" on both the days where participants can present their research ideas which would benefit the society.

For more details contact Conference Coordinators: Dr. N. Shobha Rani on Mob: 97413-16315 or Dr. N. Manohar on Mob: 95382-03801 or Poster Presentation Coordinator Akshay on Mob: 88843-44987 or Workshop Coordinators Manishankar on Mob:88675-68963 or P. Sudharshan Duth on Mob: 97396-93632.

Really...?

- ***The moon is moving away from the Earth at a tiny, although measurable, rate every year. 85 million years ago it was orbiting the Earth about 35 feet from the planet's surface.***
- ***A ten-year-old mattress weighs double what it did when it was new due to debris that it absorbs over time. That debris includes dust mites (their droppings and decaying bodies), mold, millions of dead skin cells, dandruff, animal and human hair, secretions, excretions, lint, pollen, dust, soil, sand, and a lot of perspiration, which the average person loses at a rate of a quart a day.***
- ***Every year 16 million gallons of oil runs off pavement into streams, rivers, and eventually, oceans in the United States.***

LAUGHTER THE BEST MEDICINE

Girl: You would be a good dancer except for two things.
Boy: What are the two things?
Girl: Your feet !!

VOICE OF THE READER

Ring Road woes

Sir

This has reference to 'Garbage dump on Ring Road' by B.G. Balaji *(SOM* dated Apr.3).

The entire track of Ring Road is filthy and there are mounds of debris everywhere. There's no 'feel good factor' when you are on this road. Several stretches of this road are pitch dark after sunset and also need asphalting in many places.

Many people have brought this pathetic state of affairs to the notice of the authorities, including through letters published in your paper, to no avail. MUDA, it seems, has handed over this road to National Highways Authority of India (NHAI). So why's NHAI neglecting and not maintaining this road? Will the Deputy Commissioner look into this please?

It's very dangerous to drive on this road in the nights. Who cares when there are accidents and people lose their limbs and die for no fault of theirs. This road, in fact, is made-to-order for the criminals to commit thefts, rape and murder and disappear in the dark.

Is the debris recycling equipment installed (somewhere) by the authorities functioning? And where are the wardens appointed to catch and fine those who are dumping the debris and the filth left, right and centre on the Ring Road?

One wonders how Mysuru was declared third cleanest city in spite of these aberrations. Could we ask the NHAI or whoever it is to get their act together and do the needful please?

—Mubasher Mirza

Three-day trek to Uttara Kannada

Mysuru, Apr.7- People Tree, Siddarthanagar, has organised a three-day trekking expedition along the banks of Aghanashini River in Uttara Kannada district from Apr.19 to Apr.21.

During the trek, participants will visit some waterfalls, bird-watching with tent pitching and other activities. Those interested may contact Shiva Shankar on 94488-55199 / 94800-95563.

BJP leaders distribute Bevu-Bella

Mysuru, Apr.7 (RKB&US)- Marking Ugadi festival and Foundation Day of Bharatiya Janata Party (BJP), MP Pratap Simha and MLA S.A. Ramdas visited houses in Jayanagar and Chinnagirikoppal in Ward 48 here yesterday and distributed 'Bevu-Bella.'

The residents were personally invited for the election rally to be addressed by Prime Minister Narendra Modi in city on Apr.9.

The leaders also inspected the houses under construction for beneficiaries under the Pradhan Mantri Awas Yojana.

BJP leaders B.V. Manjunath, Pradeep, Somanna and others were present.

Vote India song for voter awareness

Mysuru, Apr.7- 'Vote India', a video song brought out by Mysuru District SVEEP Committee in order to create awareness among the electorate, especially the youths, was released at a programme organised in the Palace premises on Saturday.

The song is composed and directed by renowned singer Sriharsha, who is an icon of SVEEP programme.

ZP CEO K. Jyothi, who is also the SVEEP Committee Chairperson, released the audio. Later speaking, she said that it was the right and duty of every eligible voter to exercise his / her franchise.

Emphasising on the need for

everyone to take part in voting, she expressed the hope that the video song will send a message to the electorate in a unique way.

Pointing out that the video song will reach most of the people through social media, Jyothi said, the song features a dance. Apart from the song, the video also has the message of DC Abhiram G. Sankar and Jyothi.

She further said that the youth and students can experiment with this song on sending message on the importance of voting through various mobile apps such as TechTalk, Like App and Dubsmash.

NEWS BRIEFS

'Mrichchakatika' play this evening

On public demand, Natana School of Theatre Arts will enact 'Mrichchakatika' play at Natana Rangashale in Ramakrishnanagar at 6.30pm today (Apr.7). The play is scripted by Shoodraka, who is often compared with William Shakespeare and Mollier. The play is adapted into Kannada by N.S. Lakshminarayan Bhat. Chintan Vikas has scored the music while Megha Sameer has designed the play and Ranjana Kera is the costume designer. For details, call Mob: 99455-55570 or 94804-68327.

Staging of play 'Nanagyako Doubtu'

The Mysore Myme Team will stage the play 'Nanagyako Doubtu' at the Mini Theatre in Kalamandira premises at 6.45 pm this evening (Apr.7). The play is scripted by B.R. Lakshman Rao and directed by Vinayaka Bhat Hasanagi. For details, call Mob: 99864-02816.

English discourse at Suttur Srikshetra

Vijayapura Jnanayogashrama's Sri Siddeshwara Swamiji will deliver an English discourse on Apr.7, 28 and May 5 and 12 (all Sundays) at 6.30am at Suttur Mutt in Nanjangud taluk. There will be bus facility to the venue from JSS Mahavidyapeetha at Shivarathri Rajendra Circle (Gun House Circle) in city at 5.30 am on all the four days. For details, call Mob: 97413-42222.

CDN award presentation

The Literary Criterion Centre, Dhvanyaloka, has organised CDN Memorial Award Ceremony and Lecture 2019 programme on Apr.12 (Friday) at 6 pm at its premises, Bogadi Road. The CDN Memorial Award will be conferred on Dr. Rajnath, former Professor of English, Allahabad University, who will also deliver the CDN Memorial lecture on 'Colonialism, Post-Colonialism and English Teaching and Research in India,' according to a press release from C.N. Srinath, Director of Dhvanyaloka.

Ph.D awardee

V. Shubha Rao has been awarded Ph.D in Computer Science by the Visvesvaraya Technological University (VTU), Belagavi, for her thesis 'Design and Development of Efficient Strategies for Communication Services in Internet of Things' submitted under the guidance of Dr. M. Dakshayini.

CONSTITUENCY WATCH: Mysuru-Kodagu

Mysuru jinxed to get Union Cabinet berths?

Gurupadaswamy

Rajashekhar Murthy

Wadiyar

Chandraprabha Urs

Vijayashankar

Vishwanath

Pratap Simha

Mysuru, Apr.7 (US)- Mysuru-Kodagu (earlier only Mysuru) Lok Sabha Constituency, which has provided two Chief Ministers to the State has another rare distinction that is opposite in nature, with none of the LS MPs getting a Union Cabinet berth. However, two former MPs got the Ministerial berth only as Rajya Sabha (RS) members.

From 1952 till now, 16 general elections have been held with BJP winning thrice, Kisan Mazdoor Praja Paksha (KMPP) once and Congress 12 times from the aforementioned Constituency. In 1952 election, M.S. Gurupadaswamy of KMPP and N. Rachaiah of Congress were elected from the then twin-member Mysuru LS Constituency.

Later on, Gurupadaswamy joined Congress, got elected as Rajya Sabha member and joined the Indira Gandhi Cabinet in 1967 as Minister of State for Atomic Energy and from then on till 1969 held the portfolios of Agriculture, Food and Community Affairs. He was also the Minister for Petroleum in V.P. Singh Cabinet. He was also the Chairman of Rajya Sabha, Leader of the Opposition and Party Whip.

When M. Rajashekar Murthy was elected as LS MP, he could not become a Union Minister. He however joined P.V. Narasimha Rao's Cabinet as Minister of Surface Transport and Ports as an RS member. Interestingly, both Gurupadaswamy and Rajashekar Murthy hailed from Malangi in T. Narasipur taluk and were said to be relatives.

H.D. Thulasidas Dasappa, son of H.C. Dasappa and Yashodaramma Dasappa (close confidants of Nehru and Indira Gandhi family) was elected thrice from Mysuru LS Constituency successively, but was declined a Ministerial berth. However, his father H.C. Dasappa was elected from Bangalore LS Constituency twice and was the Union Railway Minister.

After Rajashekar Murthy, Srikantadatta Narasimharaja Wadiyar was elected twice to the Lok Sabha from the Congress, but could not become a Minister. Wadiyar joined BJP and Chandraprabha Urs who won on a Congress ticket could not become a Minister. Wadiyar returned to Congress and was re-elected in 1996 and 1999. But as NDA Government was at the Centre, he sat in the Opposition.

Though C.H. Vijayashankar was elected on BJP ticket in 1998 and BJP-led NDA government came to power, the NDA was brought down in just 13 months. Although he was re-elected as a BJP MP in 2004, Congress-led UPA government came to power at the Centre and he was forced to sit in the Opposition.

A.H. Vishwanath was elected in 2009 polls on a Congress ticket. Only six were elected from Karnataka which included bigwigs K.H. Muniyappa, M. Veerappa Moily and M. Mallikarjuna Kharge who got Cabinet berths But Vishwanath could not make it to the Union Cabinet. Later on, Rajya Sabha member Oscar Fernandes joined the Cabinet. Though Pratap Simha was elected in 2014 on a BJP ticket, he could not make it to the Cabinet of NDA Government headed by PM Modi.

[Sourced]

'Berth' pangs

- M.S. Gurupadaswamy was a Union Minister thrice as Rajya Sabha member and not as an elected member of the Lok Sabha.
- M. Rajashekar Murthy too became a Union Minister as a Rajya Sabha member and not as a Lok Sabha member.
- H.D. Thulasidas Dasappa was elected thrice to Lok Sabha but was declined a Ministerial berth.
- Srikantadatta Narasimharaja Wadiyar was elected four times to Lok Sabha but failed to become a Minister (Non-Congress Government was in power twice).
- Chandraprabha Urs who was elected on a Congress ticket too could not become a Minister.
- C.H. Vijayashankar was elected twice, but also failed to get a Cabinet berth.
- A.H. Vishwanath had to make room for senior Congressmen to get into the Cabinet.
- First time MP Pratap Simha too failed to become a Minister in PM Modi's Cabinet.

Expiry of Building Licence

MCC issues notice to stop construction of new Police Commissioner's office building

Mysuru, Apr. 7 (KS)- The Mysuru City Corporation (MCC) has issued a notice asking to immediately stop the ongoing construction of the new City Police Commissioner's Office building following the expiry of the Building Licence period.

The Building Licence procured in 2014-15 ended on Dec. 6, 2018. The Assistant Commissioner of MCC Zone 1, who has issued the notice to the City Police Commissioner, has asked to stop the construction till the Licence is renewed.

The MCC issued the notice following a complaint from a local resident.

Meanwhile, Police sources said that application has already been given for the renewal of Building Licence and Sanction Plan and after 20 days we have received the notice from the MCC Zonal office. Only MCC Licence has to be renewed, sources added.

Fire destroys furniture shop at Hunsur

An accidental fire has destroyed furniture worth lakhs of rupees at a furniture shop belonging to Siraj Ahmed in Hunsur on Thursday. Fire and Emergency Services personnel led by unit head Vinay Kumar and staff Ganesh, Raviprasad, Ganesh and others rushed to the spot and doused the fire. Hunsur Police, have registered a case in this regard.

INSIST ON A PANASONIC INDIA WARRANTY CARD

Rising mercury level poses challenge for Fire Brigade this year

By S.T. Ravikumar

The rise in mercury level this year across the district is posing a challenge to Fire and Emergency Services Department, which plays a prominent role in handling natural calamities and tragedies in all seasons, particularly in summer.

Fire incidents were also reported from various parts of the State including in Bandipur, Chamarajanagar district, Chamundi Hill and others parts of the Mysuru district resulting in huge loss of flora and fauna in large swathes of land.

However, the department personnel of Mysore Region who are equipped with all fire fighting apparatus, gadgets and other devices are well prepared round the clock to douse the fire after receiving the information.

The Regional Fire Brigade Office at Saraswathipuram oversees the fire fighting operations in Mysuru, Chamarajanagar, Kodagu, Hassan and Mandya districts.

The Department has set up Fire Brigade Office in all the taluk headquarters in these districts. Chief Fire Officer (CFO), Regional Fire Officer (RFO) , District Fire Officer (DFO) and Station Fire Officer (SFO) manage the affairs of the department. It has stationed one water tender of 4,500 litres capacity each at various Fire Stations across the city and one water tanker each at all seven taluk headquarters.

Other than these, the department also has a 9,000 litres capacity water tanker, 16,000 litres capacity Water Bowser Tanker and other modern fire fighting vehicles used to rescue victims of building collapse incidents. The district fire brigades have deployed adequate officers and staff providing their due service.

The Fire Stations are equipped with portable pumps to pump out water, rescue vehicles, hydraulic jack, cutter, strider, numeric jack, telescopic lights, rubber boats, breathing apparatus, steel,wood and concrete cutters, rope, life jacket and Portable Emergency Lighting System among others.

The officers and staff of the Fire Brigade are ready to face any situation and give their service even on their holiday if need. Though there is enough manpower in all the stations, at the time of emergency, the stations have been intimated to take assistance from neighbouring stations also.

People and Police provide information about fire incidents to the Fire Stations and the Fire personnel will make haste to the location where a fire has taken place, judge the requirements of the situation and if necessary take assistance from the people to douse the fire and also rescue people.

The ladder is another important equipment of a fire truck. There are a various types of ladders including the turntable ladder, tower ladder and the tiller ladder, all of which are mounted on the fire truck. Small ladders are also equipped on fire trucks which can be moved and carried by fire-fighters to gain entrance to buildings or to help people in need of being rescued.

Fire-fighter's breathing apparatus is an essential part of fire truck equipment. The Self Contained Breathing Apparatus (SCBA) allows fire fighters access to oxygen and prevents them from inhaling toxic smoke.

The SCBA consists of three parts — a high-pressure tank of 2,200 to 4,500 psi, a pressure regulator and a face mask or mouthpiece. These components are mounted on a frame that allows the fire-fighter to remain mobile and active while using it.

One of the most important safety wear is the fire-fighter's turnout gear. Turnout gear is the protective clothing that fire-fighters wear to stay safe. It consists of the fire protective coats, pants, gloves, boots, masks and helmets.

QRV Vehicle

The Fire Station is also equipped with the most advanced Quick Response Vehicle (QRV). Officials said that a proposal has been submitted to the State Government to set up Fire stations at Bannur, Kadakola, Saligrama, and Bettadapura in Mysuru district.

Aerial ladder platform

The department has also submitted a proposal for procurement of 'Aerial Ladder Platform' which is a latest form of equipment used to handle fire tragedies occurring on multi-storied buildings.

With the help of this equipment, rescue operations can be carried out at a height of 90 meters. The equipment costs around Rs. 5 crore and the government has considered this proposal seriously and is likely to sanction for the city.

Officials said that the department officials had kept the department personnel on their toes to face any the fire incidents when the mercury level touched 39 degree Celsius recently. Officials said that Fire Stations were receiving double the complaints of fire incidents this year when compared to previous year.

CFO Yunus Ali Kauser

Speaking to *Star of Mysore*, Chief Fire Officer (CFO), Yunus Ali Kauser said "The city has recorded a spurt in temperature level. Mysuru has a good number of heritage buildings, elevated buildings, forests and other important places of tourist interests. As soon as a complaint is received, a fire extinguishing vehicle along with fire personnel are sent to the spot to conduct operation against the fire. There is no dearth fire fighting equipment or water. Our Department officers and staff played an important role in fighting fire during the major fire mishap at Bandipur Forest. Even now, we have stationed our personnel and fire fighting vehicles in the forest."

Water Sourcing: A Tough Task

Sourcing water is a tough task during emergencies as fire tenders have to rush to Vani Vilas Water Works (VVWW) to refill the tankers whenever water gets exhausted. A lot of time is wasted here as the fire tenders will have to rush to VVWW from the place of emergency to refill water. "The Mysuru City Corporation should provide us with Water Hydrant System (water filling points) at vantage points in city so that we can refill the tankers and rush back to douse the fire," says District Fire Officer K.P. Gururaj.

Separate Fire Station for Mysore Palace

Officials said that they have also recommended the State Government to set up a Fire Station exclusively at Mysore Palace premises on the lines of Vidhana Soudha, Vikasa Soudha, in Bengaluru. Moreover, the iconic Palace witnesses lakhs of tourists every year. The Palace is adorned with lakhs of bulbs for illumination. Also, it houses rare oil paintings, dresses of kings and queens and also houses Dasara elephants for more than three months during Dasara festivities and the world famous Jumboo Savari. Keeping all this in mind, the department had sent a proposal for an exclusive Fire Station, but the government has rejected this proposal saying that city is having three Fire Brigade Stations.

FIRE BRIGADE STATIONS IN CITY

Saraswathipuram Fire Station: Ph: 0821-2540970- Fire Station Officer: Nagaraj Urs

Bannimantap Fire Station: Ph: 0821-2495101- Fire Station Officer: M. Shivaswamy

Hebbal Fire Station: Ph: 0821-2408101/2512101- District Fire Officer- Ganganayak.

Neuro Care Unit at Apollo BGS Hospitals, Mysuru

Endovascular treatment available for stroke patients

Mysuru, Apr. 7 (KS)- Apollo Institute of Neurosciences has opened city's first and best comprehensive Neuro Care Unit at Apollo BGS Hospitals, Mysuru, recently.

Apollo Institute of Neurosciences has been in the forefront of the treatment strategies in the field of Neurology and Neurosurgery in the city. The Institute is the biggest Neurology Neurosurgery unit in this region with three Neurologists and two Neurosurgeons and an interventional Neuro-Radiologist.

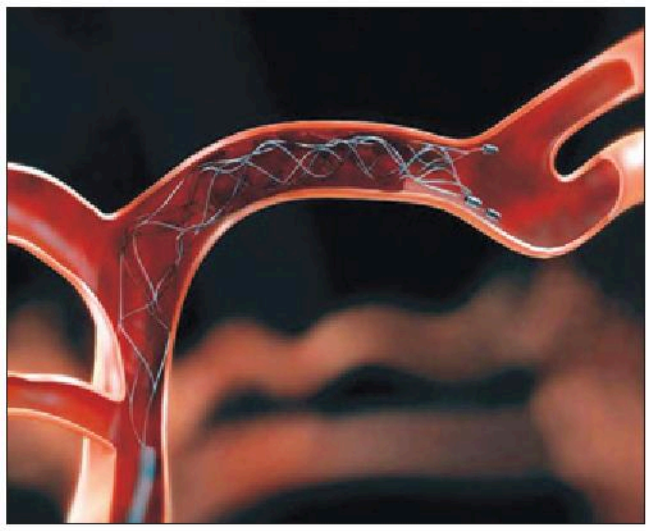
"It has to its credit a number of firsts in the treatment of neurological disorders in city like Stroke Thrombolysis, Intra-Arterial Thrombolysis, Botulinum Toxin Therapy, Endoscopic Neurosurgery, Comprehensive Electro-physiology Lab and Sleep Studies to name a few. Now the latest modality of treatment of stroke has come to Mysore i.e. Endovascular Treatment of Stroke" says Dr. Somanath Vasudeva – Head of Institute of Neurosciences, Apollo BGS Hospitals, Mysuru.

The hospital has treated three Stroke cases through endovascular techniques in the last six months.

In the first case, a 45-year-old male from Srirangapatna came to the hospital on Nov. 25, 2018 with a sudden onset weakness on the left side of body and decreased responsiveness. After initial evaluation by Dr. Somanath Vasudeva, a clinical diagnosis of acute stroke was made and he was stabilised. The MRI scan showed an early developing infarct in the right half of brain corresponding to a block in a major branch which supplies it. Dr. Vinay Hegde, manually removed the clot which was blocking the branch using a stent retriever. There was a significant restoration of blood flow to the brain preventing further worsening and progression of stroke. Over the few days, he recovered and was able to walk by himself by the time of discharge after a week and could speak normally. Over the next month, he recovered completely with continued neuro rehabilitation. He has resumed his work and continues to lead a normal life.

In the second case, 34-year-old P. Shivakumar from Siddapura in Virajpet taluk came to the hospital on Dec. 18, 2018, with sudden onset of headache and weakness of left hand and after initial evaluation by Dr. Aumir Moin – Sr. Consultant Neurologist, MRI scan showed a hematoma in the right side of brain - affecting the area which controls the motor power of left hand. He improved over the next few days and was discharged. A cerebral angiogram was done after about one and half months that showed a small arteriovenous malformation adjacent to the site of hematoma, which was the cause of intra-cranial bleeding. Shivakumar underwent endovascular embolisation by Dr. Vinay Hegde and the malformation was completely blocked using an embolic agent. The patient is currently recovering from the procedure.

In the third case, 25-year-old Mahesh Kumar came to the hospital on Mar. 7, 2019, with weakness of right sided limbs and loss of speech. After being examined by Dr. Somanath Vasudeva, MRI scan was done which showed an early stroke. He was immediately taken to the cathlab and an angiogram of neck and brain vessels was performed and it showed a clot in the major blood vessel in the neck, a part of which had dislodged and had migrated and occluded a major branch in the brain.



The clot in the brain was removed by Dr. Vinay Hegde using a stent retriever and he was further managed in the ICU and ward. He slowly recovered over few days and escaped the risk to life and avoided a major neurosurgical procedure. He is presently undergoing neuro rehabilitation and can walk with support and is attempting to speak words.

"Advantages of this treatment is the better result, reduced incidence of bleeding in brain, longer window period for treatment, reduced hospital stay, no incisions or scars. At the Apollo Institute of Neurosciences, these procedures can be done at a much lesser cost compared to Bengaluru. Since Mysuru district caters to the neighbouring districts of Kodagu, Chamarajanagar, Hassan and Mandya, the people of these districts along with Mysureans can avail this latest treatment of Stroke and other vascular diseases of the Brain and spinal cord," says Dr. Aumir Moin, Sr. Consultant Neurologist, Apollo BGS Hospitals, Mysuru.

NaMo Brigade greets Chamundi Hill climbers with Modi's achievements on placards

Mysuru, Apr.7 (RKB&US)- Hundreds of members of NaMo Brigade, RSS and yoga enthusiasts lined up on the steps to Chamundi Hill here this morning holding placards with achievements of Prime Minister Narendra Modi printed on them.

The participants greeted the hill climbers shouting slogans in appreciation of Modi with a few of the latter reciprocating positively. A few handbills listing Modi's achievements were also distributed among people.

When the participants attempted to climb the steps to the hill holding the placards, the Election Observers present at the spot objected the carrying of placards up the hill which resulted in an argument for a while with the participants finally giving in to the order.

Speaking on the occasion, MLA S.A. Ramdas expressed confidence in BJP winning 300 LS seats in the election with Modi returning as PM. He observed that Modi wave has been intensely sweeping the district.

The participants also carried a huge cut-out of Modi to draw the attention of people.

GSS Foundation's Srihari, Vijaya Vittala Institutions Secretary R. Vasudev Bhat, Harish Shenoy and others were present on the occasion.

Chain snatched from elderly woman

Mysuru, Apr. 7 (RK&DM)- In yet another incident of daylight chain-snatching, an elderly woman was robbed of her 28 grams gold chain by a bike-borne miscreant in Metagalli Police limits this afternoon.

57-year-old Shashikala, wife of R. Nagaraju, a resident of Subash Nagar located behind Chamundeshwari Temple near Surya Bakery, Hebbal, was walking along with her two grand children to the new house in the same locality, which she was about to shift, when a bike-borne miscreant wearing a full face helmet, yanked off her 28 gm gold chain and fled in a flash at about 1.20 pm.

Metagalli Police, have registered a case in this regard.

'Make-up Sumalatha'

(Continued from page 1)

Fans of Ambarish and supporters of Sumalatha Ambarish have alleged that after fielding three Sumalathas, the rivals have introduced a "make-up Sumalatha" to fox the voters. They said that Independent candidate Sumalatha, whose name figures in No. 19, has been dressed up in such a fashion that she resembles very much like Sumalatha Ambarish.

Handing out the photo to reporters, Ambarish fans alleged that Sumalatha has been dressed up with close-neck three-forth sleeve blouse with black-frame spectacles (the way Sumalatha Ambarish dresses). After make-up and photo shoot, Sumalatha's photo has been inserted in the EVM, they said.

"This is nothing but a conspiracy to confuse voters who are mostly from the rural background. To counter this, we are educating voters to make expose their ploy," say Ambarish fans.

Meanwhile, reacting on her lookalike's photo figuring in the EVM, Sumalatha Ambarish said that her rivals have adopted unscrupulous means to defeat her. "There is no end to this," she quipped.

Hotel stay by Nikhil, Sumalatha draws criticism in social media

Mandya, Apr. 7- There is a backlash in social media over the move of Independent candidate Sumalatha Ambarish and JD(S)-Congress coalition candidate Nikhil Kumaraswamy for staying in private hotels in Mysuru, instead of staying in Mandya, as promised. Both the candidates are staying in different hotels and netizens have not taken this lightly.

The day she announced her entry into politics, Sumalatha had assured that she would make Mandya her home. She even rented the house which is said to be a lucky house of her husband late actor Ambarish in Chamundeshwarinagar and even a house-warming ceremony was performed. Sumalatha held her first press conference at the house and after that there was no activity in the house.

Reports of her not staying in the house went viral. In case of Nikhil too, he had promised to stay in Mandya and his supporters had booked a duplex house at Marigowda Layout in Mandya. The house, which is said to be owned by one M.J. Chikkanna, a former JD(S) member of Mandya CMC, is a four-bedroom house facing northwards.

However, both Nikhil and Sumalatha have preferred to stay out of the Constituency and they are lodged in private hotels. Sumalatha's rented house is limited to storing publicity material and feeding supporters. This has enraged netizens and are criticising the move of the candidates who have chosen luxuries instead of being stay put at the Constituency.

People have raised doubts about the promises made by Sumalatha and Nikhil about staying in Mandya and questioned, "If they are hesitating to stay in Mandya before elections, will they stay there after winning the polls?"

'United we stand'

(Continued from page 1)

In a clear message to workers at the joint press conference, leaders said all differences need to be set aside to ensure the defeat of the BJP in Karnataka. This is the first time the two parties have made an effort locally to present a picture of unity. Both Congress and JD(S) insiders said that the press conference was the result of high commands insisting on a symbolic show of unity amid trouble over seat-sharing.

Those present at the press conference were JD(S) State President and Hunsur MLA A.H. Vishwanath, Mysuru District Minister and Chamundeshwari MLA G.T. Devegowda, Kodagu District Minister and K.R. Nagar MLA S.R. Mahesh, Narasimharaja MLA Tanveer Sait, Varuna MLA Dr. Yathindra Siddharamaiah, Periyapatna MLA K. Mahadev, T. Narasipur MLA Ashwin Kumar, H.D. Kote MLA Anil Chikkamadu, MLCs Marithibbegowda and R. Dharmasena, Mysuru-Kodagu Lok Sabha seat coalition candidate C.H. Vijayashankar, Chamarajanagar Coalition candidate and sitting MP R. Dhruvanarayan, City Congress President R. Murthy, District President Dr. B.J. Vijayakumar, KPCC Women's Wing President and AICCI member Dr. Pushpa Amarnath, former Minister Dr. H.C. Mahadevappa, City JD(S) President K.T. Cheluvegowda and others.

"Whatever differences exist, they must be overlooked with the single intention of defeating the BJP. Everybody must work together. There are some small issues but it is not impossible to solve them. Deve Gowda and Siddharamaiah are capable of handling them," A.H. Vishwanath said. The press conference was an attempt to tell the workers as well as the public that both parties were working together to solve the problems.

Addressing the media, G.T. Devegowda said that both parties will put up a united front even in contentious seats like Mysuru-Kodagu and Mandya where ground-level leaders are up in arms against the State coalition.

After four Sumalathas in Mandya, three Jadhavs file papers in Gulbarga

Kalaburagi, Apr. 7- After Mandya Lok Sabha Constituency where four Sumalathas, including Sumalatha Ambarish wife of late actor-turned politician M.H. Ambarish, are contesting as independent candidates, it is now the turn of Gulbarga LS seat where three contestants with the Surname of Jadhav have filed nomination papers.

Besides taking on political heavyweight and veteran Congress leader Mallikarjun Kharge, BJP candidate Dr. Umesh Jadhav will have to make sure that voters identify his correct name in the Electronic Voting Machines (EVMs). Three contestants — Shankar Jadhav, Vittal Jadhav and Vijay Jadhav-filed their nominations and their papers are in order.

It may be recalled that four independent contestants named Sumalatha (Sumalatha Ambarish, M. Sumalatha, Sumalatha and one more P. Sumalatha) submitted their nominations in Mandya Lok Sabha Constituency.

The same strategy has been chalked out in Gulbarga Lok Sabha segment which is expected to witness a fierce electoral battle between the BJP and Congress this time. Dr. Umesh Jadhav said that it is a strategy hatched by the Opposition to harass their opponent. "We will discuss with three other contestants and convince them to withdraw their nominations," he said.

Liquor ban

on polling and vote counting days

Mysuru, Apr. 7 (US)- To ensure a smooth conduct of elections to Lok Sabha on Apr.18 and counting of votes on May. 23, the Deputy Commissioner in a press release has ordered closure of all liquor shops, storage and transportation of liquor in the district from 6 pm on Apr.16 till mid-night on Apr.18 and again from mid-night on May. 22 till mid-night on May. 23

Support BJP candidates in LS Polls, Sriramulu appeals Nayaka community

BJP leader and Molakalmuru MLA B. Sriramulu** (2nd from left) **in conversation with BJP State Vice-President V. Sreenivasa Prasad during a media conference at a private hotel in city this morning. BJP Mysuru-Kodagu Candidate Pratap Simha, BJP leaders Kote M. Shivanna, D. Rajendra, Appanna, Prof. K.R. Mallikarjunappa, Siddaraju, Kautilya R. Raghu and Boregowda were present.

Mysuru, Apr.7 (RK&SR)- State BJP leader and Molakalmuru MLA B. Sriramulu has appealed the members of Nayaka community to support BJP candidates in Mysuru and Chamarajanagar constituencies as the party had strived hard for inclusion of the communities, namely, 'Parivara and Talawara' as synonym of 'Nayaka' at Sl. No. 38 in the list of STs of Karnataka.

Addressing a media conference at a private hotel here this morning, he said that BJP leaders including himself, Mysuru-Kodagu MP Pratap Simha, State BJP President B.S. Yeddyurappa, Vice-President V. Sreenivasa Prasad, Union Minister D.V. Sadananda Gowda, late Union Minister H.N. Ananth Kumar and others had made all efforts for the passage of this Bill in the Lok Sabha.

He said that the Constitution (Scheduled Tribes) Order (Second Amendment) Bill, 2019 was introduced in Rajya Sabha on Jan.9, 2019 by the Minister of Tribal Affairs, Jual Oram. The BJP will make all efforts for gazette notification after the passage of this Bill in Rajya Sabha. The members of these two subsects of the community can also enjoy the reservation benefits after the notification announcement, he added.

Stating that Prime Minister Narendra Modi and National BJP President Amit Shah have set the target of winning of 24 LS seats out of 28 in Karnataka, he said all BJP leaders including State Chief Yeddyurappa have been working in this direction to ensure the victory of party candidates in order to make Narendra Modi Prime Minister again for second term. He exuded confidence that BJP will cross 300 seats in this poll.

Predicting that State Coalition Government will collapse by its own mistakes after the LS polls, he said that infighting that exists between the coalition partners would help the victory of BJP candidates in many constituencies including Mysuru, Chamarajanagar, Hassan, Chikkaballapur and Mandya.

"To avenge his humiliating defeat in Chamundeshwari Assembly segment, CLP leader Siddharamaiah is attempting to settle score in Mandya, Hassan and Tumakuru seats," he alleged.

He said that people of Badami are cursing for electing Siddharamaiah for not initiating development works there and are also not happy with Siddharamiah on entering pact with JD(S).

Chinnara Mela application forms sold out in 90 minutes

Mysuru, Apr.7 (RKB&DM)- Ending years of confusion in getting application forms for the popular 'Chinnara Mela,' a summer camp for children organised by Rangayana, Mysuru, the parents of aspirant children found a novel way to amicably sort out the issue by forming a voluntary team among themselves.

As the Rangayana had announced that it would issue 300 application forms for the month-long annual 'Chinnara Mela' that starts from Apr.13, parents lined up at the Rangayana premises on Hunsur Road from last night itself and the queue continued to swell with each passing hour with more and more parents joining it.

As the queue swelled, the parents formed a group of 5-6 volunteers among themselves and the volunteers were tasked with preparing a list based on first-come first-served basis.

Accordingly, the volunteers prepared the list of 300 parents without any confusion. Soon as the Rangayana counter for issuing application forms (Application fee Rs.100) opened at 10 am, the first 300 among the queue were allowed near the counter.

The sale of application forms (300) ended in about 90 minutes at 11.30 pm, thus ending the confusion and chaos that were common all these years. However, there was a bit of resentment as 13 names in the prepared list of 300 applicants failed to turn up at the moment, when the volunteers prepared a subsidiary list of the next 13 parents in waiting, which was opposed by some. However, the issue was sorted out amicably in a couple of minutes.

This year's 'Chinnara Mela' will be held from April 13 to May 8.

All the applications received will be scrutinised and the list of children selected for participation, will be announced at 4 pm on April 12, when the parents are required to submit a DD for Rs.2,500 (per child) as fee for the month-long summer camp along with birth certificate or Aadhaar card of the participating child.

Nandeesh, a contractor from the city, Ramesh, an Engineering College lecture, M.Y. Anand Kumar, a pharmacist, Abhi, a businessman, Srikanth of the city and another parent were part of the team of volunteer parents.

As the issue of application forms went on smoothly without any hiccups, a relieved Rangayana staff thanked the parents for their co-operation.

MICA to host a Panel discussion on PUC Science education

A Panel consisting of leading academicians from professional courses, Professionals, IITians, Infosians to discuss PUC Science education.

PUC education is an important juncture in formal education, and it is here that the students under the guidance of their parents, take a major decision with respect to their future and higher education At this point, few parents generally look forward for some external support and counseling in deciding the best fit course and college for their children. With this background, MICA College Mysuru, is organizing a panel discussion with leading academician from NIE Prof. Sudhir S V Head, Centre for Training in Advanced Technologies NIE College, Mysuru, IITian Ms Praneetha K, Product head at Science Ashram, Bengaluru, Dr. N Siddharth, Consultant Pathologist, Bhagavan Pathology Lab, Mysuru and Mr. Eswaran J A Lead Principal – Education, Training and Assessment Infosys, Mysuru who could assist parents and students to take an informed decision with respect to PUC course, stream and combination.

The panelists would focus on the critical questions with respect to PUC Science education, to name a few, Is PUC Science education all about CET / NEET or beyond it? What is required to crack CET / NEET? Considering the needs of the growing economy and industry, is pure science the need of the hour? Are there any shortcomings which the professional course teachers find in PUC teaching methods, curriculum and approach? What are the gaps which exist between PUC and higher education, higher education and employment? etc..

The panel discussion is scheduled to be held on Wednesday 10th April 2019 at the newly set up MICA Tinkering lab MICA College Mysuru at 4.15pm

Interested parents and student are informed to book their seats by calling 9945545845 / 9148701078 on or before 8th April 2019.

WORLD HEALTH DAY TODAY

Universal Health through Primary Health Care

By Dr. B.R. Pai

World Health Organisation (WHO) looks to change the health and wellness world scenario and raise public awareness and consciousness with its World Health Day on Apr. 7 every year. This year, the theme *Universal Health Coverage* was retained with special emphasis on *Primary Health Care;* the reason being that while Universal Health Coverage is WHO's number one goal, millions still do not have awareness or access to basic Primary Health Care.

Primary Health Care is an approach to health and well-being centred on the needs and circumstances of individuals, families and communities. It addresses integrated physical, mental and social health and well-being. It is about providing whole-person care for health needs throughout life, not just treating a set of specific diseases. Primary Health Care ensures people receive comprehensive care, ranging from promotion and prevention to treatment, rehabilitation and palliative care as close as feasible to people's every day environment.

WHO has developed a definition of Primary Health Care based on three components:

- **Ensuring people's health problems are addressed through comprehensive promotive, protective, preventive, curative, rehabilitative, and palliative care.**
- **Addressing factors of health (including social, economic, environmental, as well as people's characteristics and behaviours).**
- **Empowering individuals, families and communities to optimise, promote and protect health, as co-developers of health and social services through their participation and as self-carers and care-givers to others.**

The 5P Primary Health Formula

To make health for all a reality, we suggest the 5P Primary Health Formula, which says you need to take Personalised, Participative, Predictive, Preventive and Promotive steps. Let's look into these:

1. PERSONALISATION

Personal Health is all about You! It refers to individualised, precise, relevant, specific, person-centric health. It encompasses all aspects of personal, medical, environmental and lifestyle interactions, while considering the mind-body-spirit interaction.

In its simplest biological context, personal health reflects your unique self. You are different to your mum, dad, siblings and friends, and therefore need different nutrition, activities, interactions and engagement to truly thrive.

As per Ayurveda, there are three *doshas — vata, pitta* and *kapha.* You have a unique combination of these three *doshas* that stays constant throughout your life and serves as a sort of blueprint for your health. You are unique; learning your unique *dosha* combination and understanding your constitution can reveal your natural inherent strengths, and illumine your greatest challenges and hence your healthy choices — routine, diet, exercises or medicine.

2. PARTICIPATION

We need to take responsibility for our own health by participating in its maintenance. Many people think their health is in their doctor's hands. The fact is: You are responsible for your own health.

3. PREDICTION

First of all, we should learn to listen to our own body. Our body talks. Listen to the headaches, colds and fevers, sores and inflammations, stomach upsets and loose motions! Many a time, we fail to listen or understand why they occur. Study your family history and understand the diseases you are prone to. Please go for regular periodical check-ups/screenings as per your doctor's advice.

4. PREVENTION

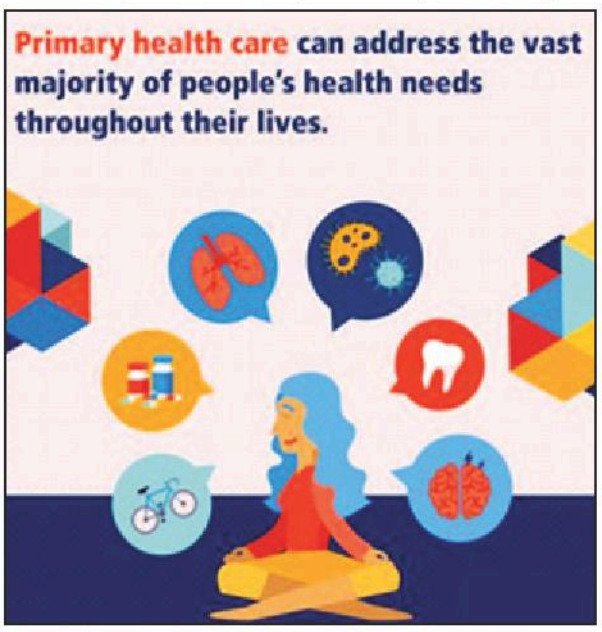
Just as health encompasses a variety of physical and mental states, so do disease and disability; these are affected by environmental factors, genetic predisposition, disease agents and lifestyle choices. Preventive healthcare is especially important to minimise the prevalence of chronic diseases. Discuss tips for a healthy and balanced lifestyle, stay up to date with immunisations and boosters, and maintain a good relationship with your body. Preventive factors have to be undertaken. If one still gets sick, treatment has to be resorted.

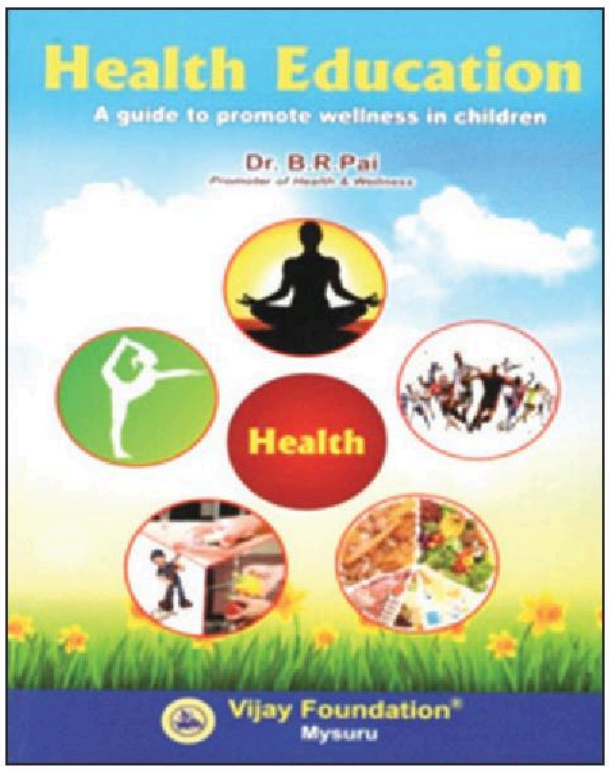
5. PROMOTION

Every moment we are moving either towards illness or wellness. We need to make the right choice. We need to take personal responsibility to our health. Health is not just physical; it is holistic — with physical, mental, emotional, social and spiritual dimensions. Some simple, free, natural ways can promote a healthy lifestyle — good food and sleep, yoga, meditation, mudras, music, physical and breathing exercises, healing therapies. Choose the suitable ones and enhance your health.

We have implemented the tried-and-trusted 5P Primary Health Formula in chosen circles with good results.

WHO has advised the public to Inspire, Motivate, Guide, Communicate, Share and bring awareness by organising awareness-related activities. Health Education to one and all needs to be a part of this awareness. We have spent the better part of last year working on





SOME HARD-HITTING HEALTHCARE FACTS

- **At least half of the people in the world do not receive the basic health services they need.**
- **About 100 million people are pushed into extreme poverty each year because of poor health.**

Health Education for children. We are bringing out a book *"Health Education – A Guide to Promote Wellness in Children"* to be distributed free to schools and kids.

For you and me, health is all about small changes to our lifestyle. As we make these small changes, over a period of time, our lives are transformed. If I am healthy, I can make people around me healthy. Our civic society — Municipalities, Corporations and Governments — needs to consider health as a sound investment in their human capital, rather than as a cost. Access to essential care and financial protection enhances health and life expectancy and protects from epidemics, reduces poverty and hunger, creates jobs, drives economic growth and enhances gender equality. Primary Health Care is the most efficient and cost-effective way to achieve Universal Health Coverage around the world.

Can we all dream big and manifest the lives of our dreams for one and all?

Happy World Health Day !

Alzarri Joseph shines on debut

Powers Mumbai Indians to 40-run win over Hyderabad

Hyderabad, Apr.7- Alzarri Joseph made an impressive debut in the IPL as he picked up a tournament best figures of 6/12 as Mumbai Indians (MI) registered a 40-run win over Sunrisers Hyderabad (SRH) yesterday.

Earlier, another Windies cricketer Kieron Pollard's breathtaking cameo powered Mumbai to a respectable 136 for seven in 20 overs. Pollard smashed an unbeaten knock of 46 runs off 26 balls with the help of two boundaries and four sixes.

Fast bowler Siddarth Kaul was the wrecker-in-chief for Hyderabad as he claimed two big wickets. Bhuvneshwar Kumar, Sandeep Sharma, Mohammad Nabi and Rashid Khan chipped in with a wicket each as Hyderabad kept Mumbai under control.

Chasing a small total, Hyderabad were all out for 96 in 17.4 overs. It was the third win for MI in five games while SRH suffered their second loss in five matches.

Alzarri Joseph was chosen as the Man of the Match.

Alzarri Joseph

Best Bowling Figures in IPL History

Alzarri Joseph, the Mumbai Indians (MI) pacer, recorded the best bowling figures in the history of Indian Premier League (IPL) in his debut match against SRH yesterday.

The 22-year-old from Antigua claimed 6 wickets for 12 runs in 3.4 overs to better Sohail Tanvir's record of 6/14 for Rajasthan Royals in the IPL's inaugural edition in 2008.

Alzarri Joseph annihilated Sunrisers Hyderabad batsmen as he became the second man to take a five-wicket haul on IPL debut.

MI had roped in Alzarri Joseph, who has 25 Test wickets and 24 ODI scalps to his name, as a replacement for an injured Adam Milne.

CSK beat KXIP

Chennai Super Kings (CSK) beat Kings XI Punjab (KXIP) by 22 runs in the first of two IPL 2019 matches on Saturday.

CSK posted a total of 160/3 in their stipulated 20 overs. CSK captain M.S. Dhoni won the toss and chose to bat first.

Openers Shane Watson and Faf du Plessis gave the home team a good start. However, KXIP spinners — with Ravichandran Ashwin being the destructor-in-chief — bogged down the scoring rate in the middle overs.

Dhoni came up with a good finish at the end, however, as 44 runs were scored off the final three overs to get the score up to 160.

The KXIP innings got off to a rocky start, with Harbhajan Singh capturing the wickets of Chris Gayle and Mayank Agarwal in the same over.

K.L. Rahul and Sarfaraz Khan consolidate in the middle part of the innings but ran out of ideas as the spinners choked the scoring rate.

With this, CSK have 8 points from 5 matches and KXIP continue to have 6 points, also having played 5 matches

Harbhajan Singh was chosen as the Man of the Match.

PGTI Pune Open Golf Tournament 2019

Delhi's Kshitij Naveed Kaul triumphs

Yashas Chandra from Mysuru finishes runner-up

Kshitij Naveed Kaul

M.S. Yashas Chandra

Pune, Apr.7- Teenaged rookie Kshitij Naveed Kaul of Delhi, playing only his ninth event as a professional, displayed maturity way beyond his years to shoot a final round of four-under-67 that helped him register a one-shot victory at the Pune Open Golf Championship 2019 on Friday.

The 18-year-old Kaul's (69-67-66-67) triumph at the The Poona Club Golf Course saw him close the week with a total of 15-under-269 and made him the third-youngest winner on the TATA Steel PGTI after Karandeep Kochhar and Shubhankar Sharma, both of whom won on the tour as 17-year-olds.

Mysuru's Yashas Chandra (68-68-68-66) carded the last day's best score of five-under-66 to finish a close second at 14-under-270 at the Rs.30 lakh event.

Kshitij Naveed Kaul, the round three joint leader, had a topsy-turvy final round as he struggled to achieve accuracy with his tee shots. However, the former India No.1 in the junior and amateur category, managed to salvage the day with his brilliant short-game.

Mysuru's M.S. Yashas Chandra's bogey-free 66 helped him gain two spots and finish runner-up. The 2018 PGTI Emerging Player of the Year had taken the lead on the final day when he made his fifth birdie of the round on the 13th. He missed a hole-in-one by one foot on the 13th.

However, Yashas slowed down thereafter with pars all the way till the end. He narrowly missed a birdie on the last as his putt stopped inches from the hole. A birdie there could've taken him into a playoff with Kaul. Yashas took home a cash prize of Rs.3,34,950.00 for his performance in this tourney.

Bengaluru's Syed Saqib Ahmed (70) and round three joint leader Shankar Das (72) of Kolkata took a share of third place at 10-under-274. Mysuru lad I.L. Aalaap finished 15th with a four-day aggregate score of two-under-282 (70+72+67+73).

Will not join BJP: Sumalatha Ambarish

Mandya, Apr.7 (Nagaiah&SR)- Actress and Independent candidate from Mandya Lok Sabha Constituency Sumalatha Ambarish has said that she will not join BJP even after winning the elections and will remain as an Independent candidate.

Addressing Muslim community people at Guttalu Layout in the town on Friday, she said that BJP has extended support considering her political situation in the district.

"I will not join the BJP. It is all rumours. My priority was Congress, but as the party denied 'B-Form', I am contesting as an Independent. I am not after power. Otherwise, I would have accepted the offers given by Congress and JD(S) leaders, I will consult the supporters before taking any decision," she said.

Referring on the statement of State BJP State President B.S. Yeddyurappa that it is left to Sumalatha to either join BJP or not in a section of newspaper, she asked the voters not to believe the rumours of her joining BJP and appealed them to give her a chance to represent them in the Parliament.

She said that Sandalwood actors Yash and Darshan would continue their campaign after a short break from Apr. 8 onwards across Mandya Constituency till the open canvassing ends.

She declined to make comment on the allegations of District Minister C.S. Puttaraju that late actor Ambarish failed to visit Mandya often when he was alive.

Cine actor Doddanna, Producer Rockline Venkatesh, Congress leaders B. Vivekananda, Aravind, Beluru Somashekar and others were present.

Political parties turn to women groups for votes

By M. T. Yogesh Kumar

Mysuru, Apr.7- With quite a large network of women Self-Help Groups (SHG) functioning in Mysuru region, political parties are trying to seek their support in the upcoming LS polls. Major political parties and candidates are leaving no chances to utilise the potential of these SHG's to fight the polls.

Thousands of women SHG's have registered with Women and Child Welfare Department in Mysuru district. According to available statistical data, there are 145 women SHG's in Mysuru city, 967 in Taluk, 696 in H.D. Kote Taluk, 1,009 in K.R. Nagar Taluk, 947 in Nanjangud Taluk, 753 in Biligere Hobli alone in Nanjangud Taluk, 915 in Hunsur Taluk, 737 in Periyapatna Taluk and 677 in other areas of the district, totalling 6,846.

In addition to these, 7,793 women SHG's including 587 belonging to SC category and 360 belonging to ST category, have registered newly in 2016-17, thus bringing the number to more than 14,000.

Apart from the women SHG's, the political parties are also eyeing SHG's formed under the umbrella of private organisations such as ODP, Dharmasthala Gramabhivruddhi Samsthe etc. Hundreds of women are members of these groups and political parties are looking at them for votes.

The political parties apart from using them, are also trying to engage them in campaigning.

The SHG's seem to be the first target of parties and candidates as there are thousands of SHG's functioning in Mysuru district and with polls round the corner, it is common for parties and candidates to woo the SHG's with various promises and assurances.

With the Election Commission of India keeping a strict vigil, the candidates are roping in heads of women Self-Help Groups, who in turn hold secret meetings at a member's house to discuss the promises of political parties.

But a decision on which political party/candidates to support, will be taken just 2-3 days before the polls after deciding on what is best for them.

In general, it can be said that since women can influence more voters, political parties vie with each other for garnering support from most of SHG's as it is vital for their victory in the LS polls, with Mysuru-Kodagu LS Constituency going to the polls on Apr.18.

Chamarajanagar Lok Sabha segment voters list finalised

Chamarajanagar, Apr. 7 (KS)- The Chamarajanagar Reserved Lok Sabha segment voters list has been finalised. The final list of voters which was taken till Mar. 26 has a total of 16,86,364 voters.

Earlier, the list which was published on Jan. 16, 2019, had a total of 16,67,044 voters and after the final revision on Mar. 26, there are a total of 16,86,364 voters, which include 19,320 newly enrolled voters.

The final list of voters in Chamarajanagar LS segment consisting eight Assembly segments is as follows.

H.D. Kote: Polling Booths- 284; Voters- 2,15,120; Men- 1,08,396; Women- 1,06,717; Others-7.

Ramdas directs party workers to campaign extensively at booth-level

Mysuru, Apr.7 (MK&DM) - KR MLA S.A. Ramdas has asked booth-level BJP workers to distribute voter slips to all voters coming under their respective booth in order to ensure party candidate Pratap Simha's victory in the LS polls.

Addressing a meeting of KR Assembly segment booth-level workers at his office in Vidyaranyapuram recently, Ramdas stressed on the need for distributing voter slips as it will go a long way in reaching out to the electorate.

Exhorting the party workers to sensitise the people on PM Modi's achievements over the past five years and to explain MP Pratap Simha's contributions for the development of Mysuru-Kodagu Lok Sabha Constituency, Ramdas told party workers to keep a close tab on the activities of coalition party leaders and workers a couple of days before the polling day on Apr.18.

Emphasising on the need for keeping a constant vigil on distribution of liquor and money on behalf of Congress candidate just before the polling, Ramdas appealed the party workers to work with zest thinking that PM Modi was himself contesting from the constituency.

Ramdas administered a pledge to booth-level heads on the occasion. Corporator B.V. Manjunath and others were present.

War Memorial & Wall of Heroes inaugurated at Sainik School

Air Marshal R.K.S. Bhadauria placing a wreath to the War Memorial at the Sainik School in Kudige village of Kodagu district on Thursday.

Madikeri, Apr.7 (AG&SR) - A War Memorial and Wall of Heroes was inaugurated at the Sainik School premises in Kudige village near Kushalnagar in Kodagu district last Thursday. The memorial was built to invoke patriotism among students and to show gratitude to the soldiers who had sacrificed their lives for the nation.

The memorial comprises graphic panels, stone murals and an inverted bayonet with a helmet structure. The 'Wall of Heroes' depicts details of all the 21 Param Veer Chakra awardees and quotes of brave martyrs are engraved on the memorial.

The memorial also pays homage to the martyrs of the 1962 Indo-China War, martyrs of 1947, 1965 and 1971 Indo- Pak Wars and Kargil War.

Inaugurating the war memorial, Air Marshal R.K.S. Bhadauria, Air Officer Commanding-in-Chief, Training Command, called upon students of Sainik School to work with dedication, honesty and unity. Appreciating the efforts of the management of the School for installing the memorial, he asked them to focus on intellectual and physical stability apart from impacting quality education. War memorial must inspire the students to join Indian Army, he added.

Speaking as the guest of honour Air Marshal K.C. Nanda Cariappa, PVSM VM (retd), lauded the school for its significant growth in a short period.

Sainik School Principal Group Captain R.R. Lall, Vice-Principal Lt . Col. Seema, 19 Kar NCC Battalion(Coorg Battalion) Commanding Officer Col. V.M. Naik, Teaching Staff and Cadets were present.

Abandoned infant rescued from forest

Maddur, Apr. 7 - A newborn baby girl, who was found abandoned at Hemmanahalli Forest area near here has been rescued by the villagers on Friday morning.

Villagers, who heard the sound of an infant crying, rushed to the spot and found the baby in a cloth bag. Later, one Vimala of Shivapura, took the baby to her house, where she gave the baby a bath and nursed it.

Meanwhile, Child Development Project Officer (CDPO) Chethan Kumar and staff rushed to Shivapura and took custody of the baby from Vimala and brought the baby to Gurushanthappa Government Hospital, where first aid was provided to the baby. The baby was later handed over to the Child Welfare Committee at Mandya. Chethan said that if Vimala was interested to take care of the baby, she can adopt the baby legally.

Officials Chitra, Sinchana and Shylaja were present. A case has been registered at Maddur Police Station in this regard.

Sambar electrocuted

Madikeri, Apr. 7 (PS&KS) - A Sambar, aged about five years, which was grazing in the forest, died after being electrocuted when it accidentally came in contact of a live power line near Aranya Bhavan at Madikeri East Reserve Forest.

Madikeri Zone Conservator of Forests Nehru and staff rushed to the spot and conducted an inspection. Officials said that the power line passing next to the forest was the reason for the Sambar to be electrocuted.

Burn mark was found at the neck of the animal and there was no bullet injuries found on the body. DFO Manjunath said that post-mortem would be conducted first and further action would be taken. He said that the population of Sambar had increased at various forests in the district and added that four tigers have been caught on camera traps installed by the Forest Department.

As there in no human activities and hunting in the forests, the population of wildlife has increased, he said and added that he would inform the higher authorities to install plastic pipes to the power lines who in turn would instruct CESC authorities to take necessary steps so that the wild animals would be safe.

Garments shop burgled

Mysuru, Apr. 7 (SPN&KS) - Miscreants, who gained entry into a readymade garments shop on Sayyaji Rao Road by cutting open the iron grills, have decamped with Rs. 20,000 cash kept in the shop.

The burglary took place at M.I. Fashions belonging to Sadiqulla. After closing the shop for the day on Apr. 3 night, Sadiqulla went home and when he came the next day morning to open the shop, the burglary came to light. A case has been registered at Devaraja Police Station in this regard.

WORD OF THE DAY

Etiquette

Pronunciation: ET-ih-kut

Meaning: The set of rules or customs that control accepted behaviour in particular profession or group.

Origin: The French word étiquette means "ticket" or "label attached to something for identification." In 16th-century Spain, the French word was borrowed (and altered to etiqueta) to refer to the written protocols describing orders of precedence and behavior demanded of those who appeared at court. Eventually, etiqueta came to be applied to the court ceremonies themselves as well as the documents which outlined the requirements for them. Interestingly, this then led to French speakers of the time attributing the second sense of "proper behavior" to their étiquette, and in the middle of the 18th century English speakers finally adopted both the word and the second meaning from the French.

Examples: "... the Victorians saw the role of etiquette as something closer to a behavioral amulet capable of protecting one from the polluting forces of vulgarity and vice." — Alice Gregory, The New Yorker, 8 Oct. 2018. "As a matter of etiquette, contemporary bosses are expected to rein in their swagger and talk up their team. Some ... even project vulnerability, not invincibility. — The Economist, 24 Nov. 2018.

THE ODD WORD

Nefarious

Criminal

PHRASE OF THE DAY

Off the record

Meaning: Not made as an official or attributable statement.

Origin: This is an American phrase and began to be used there in the 1930s. The first citation we found of it 'on the record' is in a report of a social event attended by President Franklin Roosevelt, in the North Carolina newspaper The Daily Times-News, November 1932: "He [Roosevelt] said that he was going to talk 'off the record', that it was mighty nice to be able to talk 'off the record' for a change and that he hoped to be able to talk 'off the record' often in the future. He told a couple of funny stones and everybody laughed and cheered."

QUOTE BOX

In politics, nothing happens by accident. If it happens, you can bet it was planned that way. **— Franklin D. Roosevelt**

RIDDLE THIS

Look in my face, I am somebody; Look in my back, I am nobody. What am I?

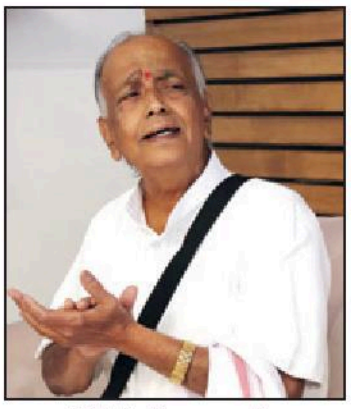
Singer Vijay Prakash bereaved



Vid. L. Ramasesha

Mysuru, Apr.7- Vid. L. Ramasesha (72), father of playback singer Vijay Prakash and a resident of Bogadi AIISH Layout in city, passed away this morning.

He leaves behind his wife R. Lopamudra, sons Phaneendra Kumar and Vijay Prakash, daughters-in-law Nagashree and Mahathi, grandchildren Kavya and Pranav. Last rites will be performed at the foot of Chamundi Hill on Tuesday (Apr.9).

Profile: Most celebrated Karnatak classical Vocalist of Mysuru, Vid. Ramasesha's musical journey started at the age of 10 into the field of Keertana and Karnatak vocal singing.

Born in a family of legendary artistes, his father Harikatha Vidwan *Karnataka Kala Tilaka* L. Lakshmipathi Bagavathar, music came naturally to him. With a profound and mellifluous voice, he added grandeur to Bharatanatyam concerts of some of the legendary dancers.

With clear and crisp diction, immense command on the laya, literature and soulful singing, any composition he sang made an unparalleled impact on the connoisseur. He performed extensively in India and abroad.

Vid. Ramasesha was the recipient of 'Gana Kala Kasturi' title given by Karnataka Ganakala Parishat, Bengaluru and 'Karnataka Kalashree' award.

Apart from Vid. Ramasesha, his wife Lopamudra is also a vocalist, both of his sons and daughters-in-law are also into the field of music, dance and theatre.
